Few Escape

There are few winded who escape having at least one cold during the winter months and they are fortunate who have but one and get through with it quickly and without any serious consequences. Take Chamberlain's Cough Remedy and observe the directions with each bottle, and you are likely to be one of the fortunate ones. The worth and merit of this remedy has been fully proven. There are many families who have always used it for years when troubled with a cough or cold, and with the very best results.

VALUABLES ARE NOW HELD AT IPPECOURT FOR SAMMIES

(By Associated Press.)

Paris, Dec. 24.—Two parcels as valuable as they are small, are stowed away in a Y. M. C. A. safe at Ippecourt, France. They give the only clue to one of the unfinished romances of the war. Each is addressed and ready for mailing to a girl back in America. Each contains a diamond ring and more than a thousand francs. They will have to lie in that Red Triangle safe until the last casualty lists are published, for they were turned over to the "Y" secretary in trust by two young officers just a day or so ago before the fighting ceased.

"Say, doc," the Spokesman "we want to leave these with you in case—well, you know. In the morning we're going after Hennie again. If we don't come back, send these things to the addresses on them."

They haven't come back—yet, but the "Y" man is not sure. Rings—diamond rings—should be messengers of joy to American girls, not harbingers of tragedy. So the "Y" man is keeping the rings until the officers turn up—or until the last casualty lists tell their tale of supreme sacrifice.

ALL OF LONDON ON DIS-PLAYS STARS & STRIPES.

(By Associated Press.)

London, Dec. 24.—If there is not friendly feeling toward the United States in England the flags of London speak untruthfully. There are millions of flags. Where all of them come from is a mystery. They simply appeared from everywhere and nowhere, like a barrage of color on the day when the armistice was signed. No coronation or royal jubilee has seen such a marvel of cloth.

Hardly a house, however small and humble, in the whole more than twenty mile radius of the largest city in the world was without its decorations. And the Stars and Stripes were more conspicuous than any flag except the Union Jack.

Wherever two flags hung together the American emblem was one of them. The French flag ranked next, but only a respectable third. Walking through the streets the American colors saluted the eye everywhere. Big ones, large enough to hide an ordinary house, hung in front of hotels, department stores and factories. Very many people of the hundred of thousands who tied flags to their hats and coats and umbrellas, even to their dogs, sported the Stars and Stripes. They were particularly popular with the girls, the workmen, old ladies, and British soldiers wore them. This seems to spell appreciation.

J. E. Perry, Church St., says: "About two years ago I had a bad pain in my back and often I had to go to bed. I cannot describe the misery I endured. I had terrible headaches, was nervous, couldn't rest comfortable and was in pretty bad shape. The different remedies I tried brought me no relief. Finally a friend advised me to use Doan's Kidney Pills and I did. Doan's rid me of my trouble which proved to be gravel and soon I was entirely cured. I have been in fine shape ever since."

CALOMEL SALIVATES AND MAKES YOU SICK

Acts Like Dynamite on A Sluggish Liver.

and you lose a day's work

There's no reason why a person Acts like dynamite on a sluggish liver should take sickening, salivating calomel when he buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of fast calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel.
